## FEDERAL AVIATION ADMINISTRATION - PARTS MANUFACTURER APPROVAL

Per 14 CFR part 21 subpart K, we found design data submitted with your letter dated July 11, 2010 to meet the airworthiness requirements of the regulations for the products on which the parts are to be installed. We based our findings on a Licensing Agreement. Also, we determined that your company set up the fabrication inspection system at 6020 S. 190<sup>th</sup> St., Kent, Washington as required by 14 CFR § 21.303(h). Therefore, we grant parts manufacturer approval (PMA), which authorizes you to produce the replacement parts in the enclosed Supplement No. 2.

We remind you that the provisions of 14 CFR, noted in our PMA letter of approval dated October 13, 2009 also apply to the enclosed PMA Listing-Supplement No. 2. Please keep the enclosed supplement with the original PMA letter as evidence of approval to produce the parts concerned.

Sincerely,

A handwritten signature in blue ink that reads "for Tim Vranna".
