

PPE Kit

Personal Protective Equipment

The Astronics PPE Kit contains common hygiene items for passengers to use on their journey. Each prepackaged kit includes a mask, pair of gloves, hand sanitizing wipe, and disinfecting surface wipe. Disposable kit pouches are small and easy to tear open.

Kit contents are adjustable and graphics can be customized with specific logos and branding.

The Astronics PPE Kit is perfect for use by airline and rail passengers, as well as in other settings such as office spaces.
