

Safety for When It Counts the Most

Safety Equipment for Your Rotorcraft

From emergency egress products to first aid kits, Astronics' products are certified and flight-proven, ready to aid in on-board emergencies, aircraft evacuation, and search and rescue operations.

Flashlights

Rely on the world's most widely deployed flashlights for aviation emergency and utility use. Whether you are looking to linefit or retrofit, our flashlights deliver long-life performance, using advanced technology, for your lowest cost of ownership.

First Aid Kits

Astronics' first aid kits are globally certified as standard equipment by all major airframe OEMs. Soft-sided case for easy stowage.
